The foregoing references are also listed on the PTO-1449 Form, which is submitted contemporaneously herewith.

In accordance with 37 C.F.R. § 1.98(a)(3), Applicant's undersigned representative submits the following concise explanation of the relevance of the non-English language document cited above and on the accompanying form PTO-1449:

The document FR 2 782 919 discloses a cosmetic composition, characterized in that it comprises an association of (a) at least one retinoid selected from the group consisting of retinol, esters thereof and retinaldehydes, with (b) at least one plant hormone selected from the group consisting of phyto-sterols, ethoxylated derivatives thereof, pentacyclic triterpenes, isoflavones, isoflavone glucosides, coumestanes and saponinsides, and (c) at least one cosmetically acceptable excipient. This composition particularly reduces in a visible way the effects associated with the aging of the skin and the exoskeleton.

It is believed that no fees are due for the consideration of this Supplemental Information Disclosure Statement. However, the Commissioner is hereby authorized to charge any deficiency or to credit any overpayment to Deposit Account No. 13-0014, but not to include any payment of issue fees.

Respectfully submitted,

MAGINOT, MOORE & BOWMAN
